

JOTUN

TOUGH SHIELD

PROTECTION YOU TRUST

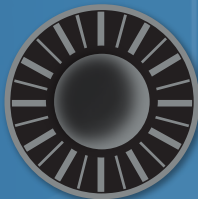

TOUGH SHIELD **MAX**

Tough Shield Max provides your home with the quality assurance of long-lasting colours while offering strong weathering, UV and radiation protection against harsh weather conditions.

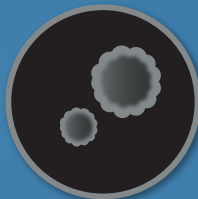

With Tough Shield Max, painting is now made easier with improved flow and levelling that spreads more consistently for that smooth and even finish.

Affordable without sacrificing impeccable quality, Tough Shield Max is the well balanced option to fit every homeowner's budget.

UV PROTECTED COLOURS

Formulated with UV protection to resist damage and colour fading. Keeps your wall tough and shielded for a long time.

ANTI ALGAE ANTI FUNGAL

Keeps your wall clean and free from algae and fungal growth.

GOOD HIDING

Tough Shield Max paints and covers your walls just the way you intended, with the right colours evenly spread out.

EASY TO APPLY

PEELING RESISTANT

FORMULATED WITHOUT HARMFUL CHEMICALS

User ID: 032 081
Environmentally Friendly /
Low VOC Paint

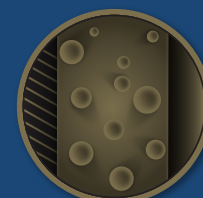

TOUGH SHIELD PRIMER

Tough Shield Primer is an easy-to-use acrylic water-based sealer that serves as the perfect foundation that also enhances the appearance and quality of your topcoat.

GOOD ADHESION

Provides good adhesion between wall surface and topcoat to deliver a good finish and lasting protection.

ALKALI RESISTANT

Resists alkali attack that causes discolouration and improves the appearance of topcoat.

FORMULATED WITHOUT HARMFUL CHEMICALS

User ID: 032 081
Environmentally Friendly /
Low VOC Paint

SEEING IS BELIEVING

All Jotun products are tested extensively to ensure we deliver the quality promised.

Adhering to international standards, the panels (left) were tested under severe weathering condition for long duration and Tough Shield Max has showed robustness, once again.

Optimised for toughness, it fights colour fading and keeps your home protected.

Tough Shield Max is balanced for cost and quality, providing affordable protection and best value for money.

TIPS ON SELECTING COLOURS

Colours are perceived differently by each person and is a very personal choice. There are no fixed rules to selecting colours, but there are ways to make it more appealing!

Here is a simple **2-step** guide.

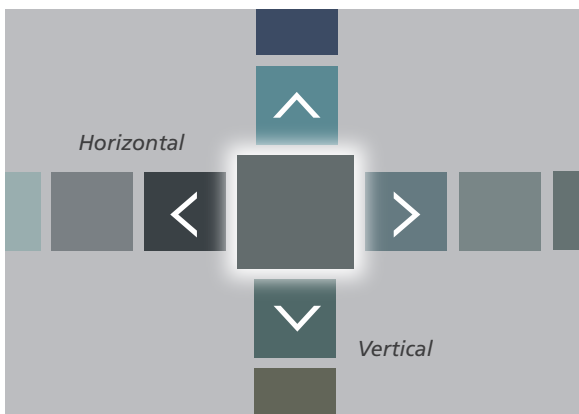

STEP 1

Start by selecting your main colour on the chart

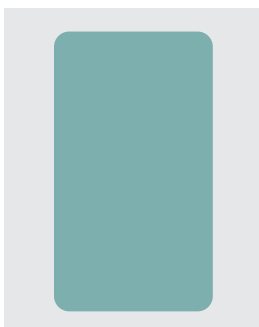

STEP 2

Move horizontally or vertically to select matching colours

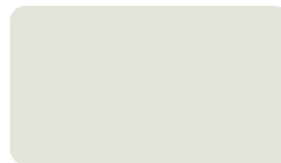

MATT FINISHING

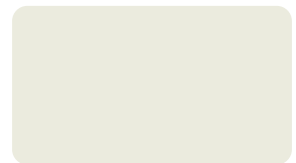

Pale Teal 5043

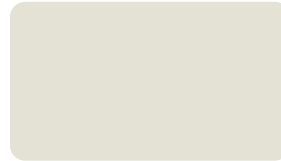

Helps to hide the imperfections on the wall

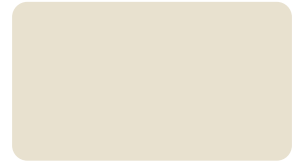

Edelweiss 1622

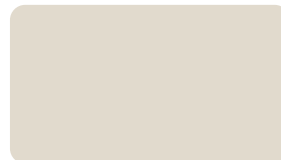

Soya Milk 1105

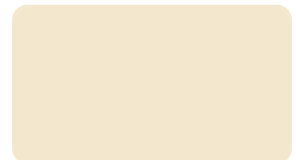

Early Rain 0486
